GRENADA HIGH LICKS KOSCIUSKO

Locals Add Another Victory to Their String Last Friday When They Defeat Kosciusko 25 to 0. Result of Game Never in Doubt. Grenada Boys Accorded Royal Welcome by Entire Town of Kosciusko. A Splendid Spirit Manifested

Grenada's football team added another victory to its list when the local players defeated the sturdy Kosciusko team on the latter's field last Friday afternoon by a score of 25 to 0. From the opening whistle to the end of the last half it was easily Grenada's game because of the heavier weight and superior team work of the victors. At no time did the losers threaten to score against their opponents and too at no time did they give up fighting for a score.

Eight minutes after the initial kick off, Futhey crossed Kosciusko's goal line for the first six points and a minute later netted another from a drop kick. Kosciusko chose to receive again and again failing on downs punted to Grenada. Some good line bucking by Jones and a pass by Jones to Wagner who made a fifty yard run added another six points within three minutes more of play. During the second quarter Grenada failed to score and the half ended with the score standing 13 to 0.

Both teams came back strong in the third quarter but Kosciusko's inability to solve a few trick plays let loose by Futhey and Jones sent Grenada's ground-gaining fullback around the end of the Kosciusko line for another six points. In the last quarter Salmon, who had been shifted to the backfield in Captain Provine's place, hit the line again and again until his efforts were rewarded by Grenada's fourth touchdown

Both teams played well and deserve credit for playing a clean manly game. The officials handled the game so well that every one present commented upon the splendid way in which the game was played. No one was displeased with a single decision and the most cordial of friendly feelings were manifested at all stages of the game.

Every member of the local team has a warm feeling in his heart for Kosciusko High School and well he might. The victors received the best treatment at the hands of Kosciusko that they have received for years. A brass band and a delegation of faculty and students met the local warriors at the train, escorted them to the High School building in automobiles, gave them a prominent position on the rostrum during the chapel exercises, served a lunch at ten o'clock, a big supper at five thirty, invited them as their guests to a lyceum number, and afterwards tendered them a reception. The above is only a smalll part of the hospitality extended the local boys and says nothing about the school pep and loyalty displayed by every Kosciusko student from the first grade up to the twelfth.

And they said they did it because Grenada had always treated them right. Well, hats off to Kosciusko. Coach Barr invited Supt. Watson and his team to Grenada and no doubt the present friendly relations will be manifest during the coming baseball season.

FAST TRAIN NUMBER FOUR KILLS MAN AT DURANT.

Durant, Miss., Nov. 25.—Leander J. Bailey, 35, who was instantly killed Friday afternoon by northbound train No. 4, on the Illinois Central Railroad, two miles north of Durant, was buried in Mizpah Cemetery Saturday afternoon, following the funeral services conducted at the family residence, by Rev. R. P. Neblett, pastor of the Methodist Church.

He was the son of Leander Bailey, Sr., who resided near Carrollton. Besides his widow and three small children, there survive him four brothers: Willie Bailey of Sunflower City; Cleveland Bailey of Torrance; Wilbren Bailey of Torrance; Robert Bailey of Tie Plant, and four sisters, Mrs. Lou Williamson of Duck Hill; Mrs. Mattie Bell Little of Carrollton; Mrs. Mary Little of Eskridge and Mrs. Nannie Little of Carroll County.

Christmas

HERE is Christmas with its memories,
When every heart is kind;
We plan, with fond concern, to please;
The ties are dear that bind;
Wherever children's faces glow;
The passing wanderer may know
That Love has been enshrined.

All the world is bright with Christmas cheer,
And every heart is young;
Our hopes are high, the way is clear:
Our grudges are far-flung;
We greet the stranger passing by
And wish him well, though his reply
Be in an unknown tongue.

Here is Christmas, with its tenderness,
When every heart is glad,
And angels come to guard and bless
The eager lass and lad;
We who have doubted learned to smile,
Regaining for a little while
The childhood we have had.

CRAWFORD GARNER FOR MARSHAL.

Through the proper columns of The Sentinel this week, Crawford Garner is announcing to the voters of the City of Grenada his candidacy for the office of City Marshal.

Mr. Garner feels that the experience gained in his several years of service as night policeman in addition to his other qualifications fit him to properly discharge the duties of the office which he is seeking. In the last municipal election two years ago, Mr. Garner made a creditable showing in his race for the same office and he believes that since that time his chance for election at the coming primaries has been greatly strengthened.

Mr. Garner is as well known to the electorate perhaps as any man in Grenada. He was born and reared here and his character should be thoroughly known to the people of Grenada. When the United States entered the World War, Mr. Garner was among the first to volunteer from Grenada and saw service overseas with the Grenada boys. If there is anything in his record as a soldier and as a private citizen that should be held against him, it has not been brought to the attention of this paper. Mr. Garner is by nature clever and obliging and none will deny that he has oftentimes gone out of his way to accommodate a friend.

Between now and the time of the election, Mr. Garner will no doubt take every opportunity to see the voters relative to his candidacy.

"LASSES" WHITE ALL STAR MINSTRELS.

The incomparable "Lasses" (himself) and his All Star Minstrels are underlined for appearance here on Wednesday, Dec. 5th, at the Grenada Opera House. An unusually attractive performance is promised that includes six episodes the leading number in which is said to be the afterpiece entitled "The Blackville Speedway." It opens onthe main street of Blackville where is seen the town's populace worked up to fever heat over the big race that will take place at their speedway that afternoon. The second scene shows the Blackville Speedway with all the excitement attendant on the biggest society and sporting event patronized by the colored swells "Lasses" will be seen in another of his famous character drawings "Exzema Itch" while opposite to him will be "Epidemic Spread" which will be played by "Skeet" Mayo who is chief assistant funmaker to "Lasses" this season. These with the assistance of the remainder of the company of forty are credited with making "The Blackville Speedway" a rip roaring farce.

If Grenada theatregoers wish to continue having road shows brought here for their entertainment, they should patronize them more freely. Judging by past records, coming to Grenada is a bad investment for a show company. The management of the opera house is doing its best to please the patrons and the way this show is received depends in great measure on whether or not others are booked.

The Wesley Workers of the Methodist Church held their social meeting with Miss Mamie Cuff as hostess on last Monday afternoon. The program was "The Child and Home Missions" after which a delicious salad course was served.

COOLIDGE ASKS NATION TO OBSERVE "GOLDEN RULE SUNDAY" ON DEC. 2

Archives of History

THE WHITE HOUSE
WASHINGTON

Near East Relief,
151 Fifth Avenue,
New York, N. Y.

Gentlemen :-

It is with a good deal of satisfaction that I commend your proposal to observe an International Golden Rule Dinner Sunday, on the second of December, 1923. I feel sure that this suggestion will meet with very widespread approval and will bring more closely to mind the charitable requirements of those who are prosperous to those who are in adversity. It suggests not only a practical method for help, but the highest expression of sympathy by sharing for a time the privations of others.

Cordially yours,

Calvin Coolidge

The plans for the observance of Golden Rule Sunday call upon the people of America to serve a menu in their homes similar to that served in the orphanages in the near east, the difference in cost of the orphanage menu and the ordinary meal to be contributed to orphanage work overseas. The observance is very appropriately fixed for the Sunday following Thanksgiving. Having on Thursday partaken from well-laden tables as a token of rejoicing in the prosperity of America, it is fitting that on the following Sunday people give special consideration to the needs and distress of those who are less highly favored.

"DAD'S DAY" TODAY AND TOMORROW AT A. & M. COLLEGE

A. & M. College, Miss., Nov. 28.—The entire college community and Starkville is in a high tension of excitement over the fact that "Dad's Day" is now almost a vivid reality occurring on Friday and Saturday of this week, November 30 and December 1.

The largest crowd in the history of the "Dad's Day" celebration is expected on the campus during the current occasion. Dads of A. & M. students, graduates, and friends of the college have written from over the entire state expressing their intention of coming up to have a glorious time on this greatest day in the Aggie social calendar.

An extensive program of entertainment has been planned the feature of which is the varsity foot ball game Saturday afternoon between the Maroon Bull Dog and the Tiger from Louisiana State University. A reduced rate has been obtained on all railroads of one and one half fares for the round trip to attend the two days. Several communities over the state are planning to run special trains to Aggietown.

Sons of Alma will gather from every nook and corner of Mississippi to sing her praise.

SAYS ATHLETICS SHOULD NOT COME FIRST IN SCHOOL

State Superintendent, in Weekly Letter, Says Athletes Should be Required to Making Passing Grades.

Superintendents, principals and trustees of schools should be very careful to see that athletics is not made of greatest interest in their respective schools.

Every school should have athletics in some form, but it should always be of secondary importance. Athletics in its place, is very desirable and does good. When it is over emphasized it does considerable harm.

Those students taking part in ball games, as representatives of their school, should be making passing grades and should, at all times, in their dress, manner of playing and in other ways, do nothing unworthy a representative of the best school or home in the State.

GOVERNMENT COTTON REPORT

The Department of Commerce, bureau of the census, Washington, D. C. announces that there were 2730 bales of cotton, counting round as half bales, ginned in Grenada County, from the crop of 1923 prior to November 14, 1923, as compared with 5178 bales ginned to November 14, 1922.

OLE MISS GLEE CLUB ENTERTAINS GRENADIANS

On Monday night, November 26th, the Glee Club of the University of Mississippi gave a most delightful concert in the auditorium of Grenada College. The program was well balanced, including a number of classical selections, negro melodies, popular airs, and the proverbial "harmony bits." The "Winter Long" "Moonlight on the Lake" and "Mammy Lou" deserve particular attention.

The voices in the club are unusually good. Most of the men have been members for several years and their voices show the training and practice which working together will invariably produce

The baritone and bass voices are superior to the first and second tenors, and consequently a bit overshadow them in concert work, although the general effort is not seriously impaired.

The program was varied by solos, by the quartette and by a lightning speed cartoonist all of which proved to be interesting and creditable features of the entertainment.

The chief soloists were Messrs. Henderson, Smith, Hagerman, and Rowland who is the assistant director of the club and who has a splendid bass voice.

Combs performed on a ukelele, and his songs, most of which he composed himself, were received enthusiastically.

"Sunshine" Butler, the cartoonist, showed himself to be a regular vaudeville artist, and an extremely clever one. He sketched off the quartette, Andy Gump, Briggs, and many other cartoons with an amazing facility.

The quartette, including Messrs. Henderson, Herring, Bickerstaff, Brigantz, was popular with the audience, as male quartettes usually are.

Mrs. E. D. Beanland who played the accompaniments, has been most instrumental in making the club the fine organization that it is, and she deserves a great deal of credit for her work.

All in all the concert was one which was thoroughly enjoyed. It was wholesome, entertaining, and good, and it is to be hoped that the Ole Miss Glee Club will always make Grenada one of their stops. They may be assured of a hearty welcome.

SOME—AND SOME.

Some have little, some have less,
Some have not a cent to bless
Their empty pockets, yet possess
True riches in true happiness.

To some—unclouded skies and sunny ways,
To some—gray weather and laborious ways,
To all—Thy Grace,
To those who fail—Thy tenderness.
—John Oxenham

The Christmas Star

Upon a still and starry night
Whose very stillness thrilled
The watch of centuries—the night
When hope would be fulfilled—
Through silent skies
A starlight flies
That God Eternal willed.

While eager eyes first caught its ray
Ere ages long denied—
Unlike the night, unlike the day,
But glory glorified—
Thru singing skies
Hope verifies
That earth is now its sway.

Around heaven high the chorus rang,
Until earth, too, was filled,
For men joined angels as they sang—
So much their hearts were thrilled—
'Neath star bright skies
The harmonies
No centuries have stilled.

F. M. LEWIS IS DEAD.

At three o'clock last Friday morning, November 23, Mr. Francis Marion Lewis died at his home a few miles southwest of Grenada after an illness of less than a week's duration, the cause of his death being pneumonia. The remains were interred that afternoon in Odd Fellows Cemetery, the services being conducted by Rev. Mellville Johnson, pastor of the Methodist church of which the deceased was a member.

Mr. Lewis was born November 22, 1855 in the Spring Hill community in this county, being the son of F. M. and Mrs. L. A. C. Lewis, and had spent his entire life in Grenada County. He was married November 23, 1886, to Miss Laura Kendall, who preceded him to the grave by twenty-two years, her death having occurred in 1901.

Mr. Lewis had been suffering for years from rheumatism and his affliction would not allow him to get about very much but he would not permit it to render him helpless and dependent on others. He ran a little store just a short distance from his home and could be found there at almost all times attending to the duties of his business. He was devoted to his family and this devotion was equally returned by each of his loved ones. He was kind and considerate of his neighbors and his friends. He was of an unusually cheerful disposition, especially considering his infirmities, and had always a pleasant word and a kindly greeting for all whom he met. He was known as being thoroughly reliable and trustworthy and as a man of the highest integrity of character.

Mr. Lewis knew that the end was near but did not fear it. He talked calmly of the approach of the Grim Reaper and imposed implicit confidence in the Divine Father. He felt that his work on earth was done and he was ready for the journey into the next world.

Besides his mother, Mrs. L. C. Knox, who has been making her home with him for years, Mr. Lewis is survived by one son, E. B. Lewis, and two daughters, Miss Nannie C. Lewis, of Grenada, and Mrs. Emmel S. Golden, of Jackson, to all of whom The Sentinel tenders sincerest condolence.

CARD OF THANKS

We want to express our gratefulness to those who were so kind and thoughtful during our recent great bereavement over the loss of our dear son and father. We realize that words are inadequate to express just what is in our hearts but we appreciate deeply every act and every expression of sympathy. Our prayer is that God will repay each one of you.

Respectfully,
Mrs. L. C. Knox,
Edwin B. Lewis,
Nannie C. Lewis,
Mrs. Emmel Golden.

SHOULD BE GUARDED AGAINST

It is a common temptation of Satan to make us give up the reading of the Word and prayer when our enjoyment is gone, as if it were no use to read the Scriptures when we do not enjoy them, and as if it were no use to pray when we have no spirit of prayer; whilst the truth is, in order to enjoy the Word, we ought to continue to read it, and the way to obtain a spirit of prayer is to continue praying, for the less we read the Word of God, the less we desire to read it, and the less we pray, the less we desire to pray.—Geo. Muller.

GOLD DISTRIBUTION NEARING CLOSE

Last Distribution of $500 Will Take Place on December 24th, 25 Persons Will Receive Awards. 28 Business Concerns Have Participated During Past 11 Months. Still 2 Awards Unclaimed from October Distribution.

Christmas Eve day, Monday, December 24th, just a little more than three weeks from today, will mark the close of one of the biggest cooperative profit-sharing plans that has ever taken place in Grenada when the last distribution of five hundred dollars of the original two thousand dollars in gold put up by twenty-eight Grenada business concerns will take place. On that day, five hundred dollars will be given to twenty-five persons. The first will receive one hundred dollars in gold, the second, fifty dollars, nine will receive twenty-five dollars each, eleven will receive ten dollars each and three will receive five dollars each, making in all a total of five hundred dollars.

The plan was started in the early part of the year and was engaged in by twenty-eight firms who wanted to show their appreciation to their customers of the trade given them. The original amount was $2000. $500 of this amount was given away on April 7, a like amount on July 7 and also on October 6, making a total of $1500. There is still $500 more and this is the amount that will be given away in the final distribution.

Of the twenty-five awards that were supposed to have been made on October 6th, there are two that are still unclaimed. The first award of $100 has not yet been called for and neither has one of the $10 gifts. If the persons who hold the following numbers will present their tickets to Miss Estelle Rollins, they will be given the amounts indicated:

913147, $100;
283905, $10.

If, after the numbers have been announced for the last distribution on Dec. 24, some of the awards are unclaimed, the committee in charge will continue to announce numbers until the last penny has been given away and it behooves all who have tickets to keep them until The Sentinel contains the announcement that the last gift has been claimed.

NAVY TO COMMISSION THREE NEW MEN-O-WAR.

The U. S. S. West Virginia, a new battleship, will be placed in commission on March 1, 1924, at Newport News, Va. the U. S. S. Raleigh, scout cruiser, will be placed in commission February 1, 1924, at Fore River, Mass. and the U. S. S. Cincinnati, another scout cruiser, will be commissioned on January 1, 1924, at Tacoma, Wash. The Navy Department has authorized the Navy Recruiting Officer, at New Orleans, authority to re-enlist men from the Louisiana and Mississippi District for these ships up to the date of their commissioning.

Eight recruits were enlisted at this Station during the past week, and were sent to the Naval Training Station, at San Diego, California, for the regular seven weeks' training period before being sent to sea.

"When all other remedies have failed, Leonardi's Blood Elixir cured me."

People in every city and town where this remedy is sold make this straightforward statement. Grateful testimonials of men and women who have suffered from diseases caused by impure blood, such as Rheumatism, Catarrh, Blood Poison, Scrofulous affection, Ulcers, Nervous Debility, and run-down condition is what has made Leonardi's Blood Elixir the one remedy which stands out as the greatest blood medicine of the Twentieth Century.

The remedy makes rich, red blood. It builds up the system and gives new energy and vigor to the sick and weak. If you need a blood medicine buy Leonardi's Blood Elixir. It always gives results.

LESSON FOR DECEMBER 2

THE POWER OF THE EARLY CHURCH

LESSON TEXT—Acts 2:1-4, 37-42.

GOLDEN TEXT—"Whosoever shall call upon the name of the Lord shall be saved."—Acts 2:21.

PRIMARY TOPIC—Peter Telling About Jesus.

JUNIOR TOPIC—Three Thousand Converted in One Day.

INTERMEDIATE AND SENIOR TOPIC—A Brave Preacher and a Great Revival.

YOUNG PEOPLE AND ADULT TOPIC—The Source of Missionary Power.

The power of the early church was the Holy Spirit. This same Spirit has been the power of the church in all ages. The watchword of God's mightiest men throughout the centuries has been, "Not by might nor by power but by my spirit saith the Lord of Hosts." (Zech. 4:6.) The mightiest forces in the world are spiritual.

I. The Coming of the Spirit (Acts 2:1-4.

1. Time Of (v. 1). It was on the day of Pentecost. "Day of Pentecost" means the feast which was held fifty days after the wave sheaf was offered (Lev. 23:15-16). It was observed by presenting two loaves made of the new wheat (Lev. 23:17). These loaves were baked with leaven, while leaven was excluded from the Passover feast (Lev. 23:6). The reason was that the Passover feast typified Christ's sacrifice, while Pentecost represented the church, composed of Jews and Gentiles—the two loaves. Christ had no sin in Him while the men and women composing the church have sin in them.

The feast of Pentecost in a figurative sense still continues, for the body of Christ is not yet complete. Pentecost was a most fitting time for the coming of the Spirit.

2. Upon Whom the Spirit Came (v. 1; cf. 1:13-15).

The twelve and others to the number of 120. The coming of the Spirit was not merely for the twelve but for all believers—members of the body of Christ. They were in "one place, with one accord" waiting for the fulfillment of "Father's promise" (Luke 24:49). With a group of believers thus with eyes fixed upon Christ in expectation of the fulfillment of His promises, wonderful blessings are sure to come. If the church would be with one accord in one place wonderful blessings would come still.

II. The Marks of the Spirit (vv. 2-4.)

These marks were external and internal.

1. External.

(1) The Sound of a Mighty Wind. There was no wind—only the sound thereof. This suggests the all-pervasive life-giving influence of the Holy Spirit.

(2) Tongues of Flame. Each of the 120 was crowned with such a tongue. The tongues show the practical purpose of the Spirit's gifts, and the fire indicates His purifying energy, purging the dross and making fit witnesses for Him.

(3) Speaking in Foreign Tongues. For these humble Galileans to thus speak caused great amazement.

2. Internal.

This is seen in the transformation wrought in the disciples. They have great courage and self-possession. Peter, who a little while before was cowering before a Jewish maid, now with lion boldness stood before the thousands of Jerusalem and a little later before the chief rulers of the city and declared that they had murdered their King.

III. The Converting Power of the Holy Spirit (Acts 2:37-42).

Many people were convicted of their sins—about three thousand repented and were baptized. This revival was real because:

1. They continued steadfast in the apostles' teaching. They did not grow cold or run after every fad that came along. This is the real test of conversion.

2. They continued in fellowship with the apostles. The surest way to grow is to keep in fellowship with Christians. Death is sure to follow the neglect of the fellowship of the brethren in Christ.

3. In using the means of grace, "In the breaking of bread," God has instituted ordinances in His house and those who are genuinely converted will avail themselves of their use.

4. In prayer the apostolic church was a praying church. The Christian life cannot be lived without prayer.

Good Deeds.

The influence of a good deed is great upon the world, but the reflex influence upon the doer is a priceless thing. —Gospel Banner.

False Prophets.

False prophets and teachers have ever been speakers of pleasing words and glorifiers of the conditions of their times. Thus only can they hope to secure popularity, ease, and the other things they are after.

Insufficient for That Day.

I have been driven many times to my knees by the overwhelming conviction that I had nowhere else to go. My own wisdom and that of all about me seemed insufficient for that day.—Lincoln.

LESSON FOR DECEMBER 9

THE OUTREACH OF THE EARLY CHURCH

LESSON TEXT—Acts 8:4-8; 14-17; 25.

GOLDEN TEXT—"Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."—Acts 1:8.

PRIMARY TOPIC—Philip Telling About Jesus.

JUNIOR TOPIC—The Gospel Spreads to Samaria.

INTERMEDIATE AND SENIOR TOPIC—The Gospel Spreads Through Persecution.

YOUNG PEOPLE AND ADULT TOPIC—Expanding Missionary Vision and Activity.

I. The Gospel Spreads to Samaria (Acts 8:4-8; 14-17; 25).

1. Philip Preaching the Gospel in Samaria (vv. 4-8). Following the stoning of Stephen the enemies of the Lord were more active than ever in their efforts to stamp out the new faith. With Saul as their leader they dragged from their homes and imprisoned those who confessed Christ, but the Devil overreached himself in this, for this scattered the believers everywhere, and they preached the Gospel as they went. The time had now come for the witness-bearing to extend beyond Jerusalem and Judea as the Lord had commanded. The Lord permitted the persecution so as to scatter them.

2. Peter and John Visit Samaria (vv. 14-17; 25). When the Apostles heard of Philip's work in Samaria they sent two of their best men to encourage it. These men had discernment to know that the spirit had not yet fallen upon the believers, so they laid hands upon them and the Spirit was given them. These Samaritans were really converted, regenerated, but had not yet been filled with the Spirit. In this they were like many church members today without the Spirit's gift.

3. Philip Preaching to the Ethiopian Eunuch (Acts 8:30-40). In the conversion of the eunuch we see the Lord's work still broadening. The Gospel was first preached to the Samaritans who were nationally on the borderland between the Jews and the Gentiles. This Ethiopian was in all probability a Gentile, a proselyte to the Jewish faith. In his conversion we see the work reaching afar, even on its way to the ends of the earth. By divine direction Philip left his great work in Samaria and was directed to the eunuch. The Spirit of God directed him to go and join himself to the chariot of the Ethiopian. The coming together of these two men in the desert was providential. (1) The eunuch's employment on the way. He was reading the Word of God. (2) The absolute need of a preacher. The eunuch was reading the fifty-third chapter of Isaiah, one of the clearest testimonies of the Messiah in the Old Testament, yet was unable to understand it. The one thing needed in the salvation of men is for the saved man to bring the message to the unsaved. (3) The message of Philip was Jesus. He began at the Scriptures and preached Jesus. The central theme of the preacher's message should be Jesus. (4) The eunuch baptized. As a consequence of Philip's preaching the eunuch proposed baptism. Men who accept the message of salvation in Christ naturally demand baptism.

II. The Conversion of Saul (Acts 9:1-30).

The great apostle of the Gentiles is now laid hold of by the Lord Jesus and made a flaming evangel of the Cross to the whole world. We thus see the Lord making ready for the widest dissemination of the Gospel of His grace.

III. The Gospel Spreads to Asia Minor (Acts 9:31-15:35).

1. Peter at Joppa (Acts 9:32-43). On his tour of evangelizing Peter came down to Joppa and lodged with Simon, a tanner. This shows the widening of his sympathy in that a Jew was willing to lodge with one of such an occupation.

2. The Conversion of Cornelius (Acts 10). In the conversion of this Gentile and the coming of the Spirit upon him, the middle wall of partition between Jew and Gentile was broken down. The way was now open for the further outreach of the Gospel.

3. Paul's First Missionary Journey (Acts 13, 14). The Spirit of God now came upon the church for the definite purpose of preaching the Gospel to the whole world. Paul and Barnabas with John Mark went out preaching the Gospel through the provinces of Asia Minor.

4. The Conditions of Gentile Salvation Settled (Acts 15:1-35). Before the Gospel could be preached to the whole world the dispute in the church over the condition of Gentile salvation had to be settled, so a council was held at Jerusalem in which these conditions were clearly settled.

In the Light of the Bible.

Dr. A. C. Dixon is quoted as having said: "We have been studying the Bible in the light of modern scholarship. The time has come for us to study modern scholarship in the light of the Bible." Quite a correct observation!—Southern Methodist.

In Christ's Society.

"Ten minutes spent in Christ's society every day, aye, two minutes, if it be face to face and heart to heart, will make the whole day different.—Heidelberg Teacher.

$500.00

MONDAY, DECEMBER 24

The twenty-eight Grenada business concerns, whose names appear below, have co-operated during the year to make this distribution possible and already $1500 has been given away to seventy-five people.

The day before Christmas when the last distribution of the $2000 in Gold will take place. The first person will be given $100, the second $50, and others will receive amounts ranging from $25 each down to $5. You may be one of the fortunate one to participate in this distribution.

Don't Forget Date of Drawing, Monday, December 24th

Save your tickets. You may be the lucky one.

Ask For Tickets When Purchasing or Paying Your Account.

Grenada merchants always give you full value for your money. When you have this opportunity of sharing in these munificent gifts and at the same time get your money's worth in trade, you should by no means pass it up. Nothing is added to the prices to make up for this money. It is simply a method the Grenada business men are taking to show their appreciation of your patronage.

When you trade with any of these firms, or when you pay them money on account, you are given one ticket for every dollar. By keeping these tickets until Christmas Eve, it may mean that you will receive one of the cash awards that will be made on that day.

Trade in Grenada. Ask for Your Tickets and Save Them Until the FIVE HUNDRED DOLLARS IN CASH is Given Away.

These firms give you tickets, and be sure to go there to make your purchases:

WHERE TO BUY

Many people at this moment are considering where they should buy their Christmas stuff. They ought to realize that the merchants of Grenada are better supplied with holiday goods than ever before.

Our business men have been studying the problem of holiday purchases for weeks and months. More thought and inquiry goes into preparation for the holiday business than people have any conception of. The merchants have been investigating the tendencies of this year's trade, to make sure that they were keeeping up with the latest ideas. They are giving their customers a selection that includes the most recent developments, yet is of such standard quality that purchasers and recipients of gifts will receive substantial value. The people who go elsewhere for holiday stuff will show that they have little realization how splendidly equipped our stores are.

Our people will get a decided advantage in buying in their home town. They can take their own time to make purchases, and select the hours when the stores are the least busy with the rush Christmas purchases, and when they can get the best service.

Also if they should by any chance select goods that are not satisfactory, they will find it far better to deal with their own home people than with strangers. Their home stores will go the limit to make goods please their townspeople.

If our people expect to build up this town to the full possibilities of which it is capable, they must give their home stores the preference, and keep their money at home. If all of our Christmas money could be spent at home this year, it would give the city a splendid start for 1924.

COMMON SENSE VS. LEGISLATION

Radical farmers in North Dakota and Minnesota have found by epefience that legislation will not correct economic or personal deficiencies.

Growing wheat alone year after year means worn-out! lands and hard-up farmers, and no government subsidy or guaranteed price will help.

One man in ten who goes into the grocery business succeeds and grows wealthy, and the average is about the same with farmers.

Farming is the basic industry and if we could destroy every city, the wealth production and necessities of the farms would build them up abain.

But if we destroy the farms, the cities would fall into irretrievable ruin. To guarantee wheat prices is to tax weaker industries than farming.

The world excess of 300,000,000 bushels of wheat would be doubled by a subsidy as a premium on increased production and wheat would go down as taxes went up.

The way out is not by more legislation but more faith in our country, more common sense and more diversified farming.

MOST WORK FOR LEAST MONEY.

Each and every local paper gives from $100. to $5,000 in free advertising for the benefit of the community in which it is located. No other agency can or will do this. The local editor, in proportion to his means, does more for his home town than any other ten men, and in fairness, man to man, ought to be supported, not because you like him or admire his writing but, because a local paper is the best investment a community can make. It may not be brilliant or crowded with great thoughts but financially it is of more benefit to a community than a teacher or a preacher. Understand us, now, we do not mean morally or intellectually, but financially, and yet on the moral question you will find that a majority of the local papers are on the right side of the question. Today the editors of the local papers do most work for the least money of any people living.

DON'T DELAY CHRISTMAS PREPARATION.

The Philadelphia Retail Ledger calls attention to the fact that the Christmas rush invariably throws a spotlight upon weaknesses in the store structure—but that's no reason why one should wait for the spotlight to be turned on.

Salesmanship, advertising, display, the arrangement of stocks and the employment of emergency salespeople, systems of handling cash and charge purchases—all these should be inspected and perfected in advance—because, once the rush is on, there is little time for making changes.

The retail executive who waits until the last minute to make his preparations for handling the Christmas rush is in a position analogous to the man who waits until he reaches the middle of the stream before he puts on his rubber boots. He may get to the other side without serious injury, but he'll have a most uncomfortable trip.

THE CALM DRIVER.

A few years, it was commonly said that almost anyone could drive an automobile. But as conditions are now in and near populous towns, with a flock of cars hurrying hither and thither, and in many places extreme congestion, the time has come when successful driving calls for a certain temperament.

The impatient man or woman, who has little self control and acts on ill considered impulses, has no place on the motor roads or streets of today. The right kind of driver has a calm and philosophical temperament. He takes the incidents of the roads good naturediy. He does not feel that it is a serious matter to lose a few seconds, and he is not worried or upset by delays. If the people who drive cars were all that type, there would not be many accidents.

CAN ANYBODY ANSWER.

Why is it a seven-year-old lad can drop a half burned match in an alley and burn up all the barns in a block, while an able-bodied man has to use up a whole box of matches to get a wood fire started in a heater that has draft enough to draw all the furniture up the stove pipe?

CIVILIZATION OWES DEBT TO GOOD DOADS

That civilization owes a great debt to the highway builders can be understood by reference to history. The first European highways were those which went out from Rome, that the Roman soldier might have easy and quick access to the remotest bounds of his great empire. With him went law and order. Later, over the highways, went the school master and the college, the education, the institution and its teachers. The missionary of the Cross used the highway, the church spread its doctrine over the highway, and to this day, the great churches, schools, colleges, hospitals, and institutions for the amelioration of the condition of mankind, are found always on, never away from, great highways.

It is the highway which made the city, not the city the highway. It is the highway which made the demand for the railroad, which is but a steel highway for cars of steel. It is the highway over which all freight must move sometime, the highway over which must travel all that is good, noble, desirable and fine in life.

Where good highways are, there is a good civilization. Where are poor highways, are usually ignorance , poverty, disease, lawlessness, lack of culture, poor standards of living, misery.

Investment in highways means investment in civilization!

THE WORD CHRISTMAS

Brevity may be the soul of wit, but abbreviation is not the soul of high sentiment and sacredness that attach to Christmas. Why abbreviate the syllable that carries its sacred meaning? Why make it "X"? Surely the ink or space or trouble saved does not warrant marring a word that holds such high place in heart and memory.

"Lincoln's Birthday" and "Washington's Birthday" have not been cut down by abbreviation. And certainly Christ's birthday should be as generously dealt with. It's "Christmas" in speech. Let it be so in writing.

Ford Trucks Are Bought On Performance Records

If you were to ask a hundred—or a thousand—Ford truck owners why they use Ford trucks in preference to all others, they would likely say, "Because the Ford stands up."

They know that under the endless grind of daily service the Ford stays on the job month in and month out, with very little mechanical care, and with practically no expense for repairs or replacements. They buy to get performance.

A few might add that the Ford is the lowest priced truck on the market. But they would emphasize the work this truck does, not its initial cost, in accounting for the fact that there are more Ford Trucks in use today than all other makes combined.

LONG SERVICE RECORDS FOR MANY DODGE CARS

Number of First Cars Made Still in Daily Use.

Dodge Brothers motor cars are favorably known throughout the world for many important advantages but are probably best known for their ability to give satisfactory service over a long period of years—for a period of life beyond that commonly allotted to a motor car, according to T. H. Meek, of the Meek Motor Company, local representatives. Ninety-four per cent of the cars that have been manufactured by this company are still in operation, day in, day out, in all parts of the country.

One of the most notable examples of the long life and durability of Dodge Brothers cars is found in car No. 12, the first Dodge Brothers car shipped to the Pacific coast, arriving there in December, 1914. No. 12 was displayed in San Francisco and Oakland, used as a demonstrator and eventually sold. Recently it was in the possession of a rancher near Santa Rosa, who used it in his daily work. He refused to sell it outright, but finally traded it on a new car. At the present time it has been run approximately 175,000 miles.

From Walnut Cove, N. C. comes word that car No. 5 is running satisfactorily as a service car for the Davis Repair Company. Mr. Davis writes, "The motor still has in it the original pistons and bearings that were installed at the factory nine years ago. No. 5 has been in service every day."

There was recently displayed in a parade in Manhattan, Kan., a Dodge Brothers car sold in December, 1914. Its speedometer now shows a mileage of 224,000 miles, and the car is in constant daily use.

Carl Schafer of Madison, Wis. is an enthusiastic Dodge Brothers owner. Mr. Schafer purchased a used Dodge Brothers car in September, 1916. Since then he has driven, and has proofs to support his statement, over 229,000 miles. Mr. Schafer has sworn to the above facts before a notary.

Some time ago John Austermiller, Jr., and Robert Baur, two young men of Terre Haute, purchased a used Dodge Brothers touring car with which to tour Canada, Mexico and the western states. At the time the car was purchased the speedometer registered 203,000 miles, and there were those who doubted that the car would ever reach Chicago. The boys returned a few weeks ago after having gone even farther than they expected, having added 11.121 miles to the original 203,000 mileage. They expect to make a tour of the eastern states next year with the same car.

Dodge Brothers records cite numerous instances, such as the above of the durability and unusually long life of their cars.

A PARSON BROWNLOW STORY.

William Gannaway Brownlow, better known as the "Fighting Parson," Governor of Tennessee during the reconstruction period, tells this story in "Parson Brownlow's Book":

"While in attendance at an Annual Conference af the Methodist Church, in Abingdon, Va., in 1850 I suffered from an attack of fever; and, either from the influence of medicine or of fever on the brain, I became a little flighty. The opinion prevailed that I would die, and the venerable Bishop Capers, and other ministers, became anxious to know how the 'eccentric parson' felt in view of an exchange of worlds. Accordingly, they visited my room, and the Bishop read the Scriptures and sang and prayed for me. On taking his leave of me, holding me by the hand and looking me full in the face, he inquired what my prospects were beyond the grave. It is said—and I have no doubt of the truth of the statement—that I returned for an answer: "Well, Bishop if I had my life to live over again, I could improve it in many respects, and would try to do so. However, if the books have been properly kept in the other world, there is a small balance in my favor!"—Exchange.

W. J. Jennings, Sr. left Sunday at noon for Starkville where he went to spend the first of the week transacting business.

* * *

J. T. Gum, T. H. Meek, W. J. Sherwood, J. P. Pressgrove and S. H. Garner were the Grenada Shriners who attended the Shrine ceremonials at Jackson last Thursday at which nearly one hundred novices crossed the burning sands. Robert Horton and William Penn, both former Grenadians, were among the initiates.

* * *

Mrs. George Lee Parde with her baby son left Friday to spend a short while in Memphis and Nashville before going on to her home in Pensacola, Florida. They had been here for two months visiting relatives. Mrs. Lee Parde is perhaps best remembered in Grenada as Miss Kate Hall.

* * *

Mrs. M. L. Carter and her daughter, Mrs. R. A. Tucker, left last week for Aberdeen where they went to visit relatives. They were accompanied by Mr. Tucker who returned home Friday.

* * *

Mrs. B. J. Anderson and attractive little daughter spent a short while the latter part of last week where they were the guests of their sister and aunt, Mrs. C. L. Lomax.

* * *

Mrs. R. E. King left last Sunday at noon for her home in West Point after having spent some time visiting her father, T. J. Staten, north of Grenada.

* * *

Judge McLean has opened up a new sub-division. See classified column.

* * *

Miss Katherine Cribbs and Miss Emma Northington of Grenada College were week-end guests of Miss Myrtle Mitchell.—Greenwood Commonwealth.

* * *

Standing local—John P. Pressgrove spent last Sunday afternoon and evening in Batesville, Panola County.

* * *

Mrs. H. G. Thiel left last Sunday afternoon for Memphis where she went to consult a specialist. Mrs. Thiel's many friends all join in the hope that the trip proved of benefit and that she will rapidly improve in health.

* * *

Miss Margaret Green, who had been for some time the guest of her cousin, Miss Katherine Todd, on Line Street, left the latter part of last week to visit in Clarksdale before returning to her home in Aberdeen.

* * *

Wm. C. McLean, Jr., spent Monday of this week in Walthall where he transacted legal business.

Mr. and Mrs. H. G. Talbert left on the early train this morning for McMinnville, Tenn., where they will make their future home. Mr. Talbert who has been local manager for the Coca Cola Bottling Company has been advanced or promoted to the management of McMinnville Coca Cola Bottling Plant, a much more important distributing plant than the local plant and a much better paid position. It is with genuine regret that we announce the departure of this most estimable family from our city. Mr. and Mrs. Talbert came here only a few months ago but during their short stay they endeared themselves to the hearts of all who knew them. Mr. Talbert was elected deacon in the Baptist Church and was one of the leaders of the Meeker Prayer League while Mrs. Talbert who is a talented musician has been organist for the church choir. Water Valley will indeed miss both Mr. and Mrs. Talbert, socially, religiously and fraternally, and all unite in wishing them prosperity and happiness in their new home.—Water Valley Herald.

* * *

John P. Pressgrove spent last Sunday morning in Greenwood, returning home in time for his regular Sunday afternoon trip.

* * *

Mrs. A. P. Guntharp returned last Friday at noon to her home in McComb City after spending two days here with her sister, Mrs. W. W. Garner, and family.

* * *

J. W. Vance attended the rally of the Masonic Service Association Monday of this week at Water Valley at which many of the leading Masons of the state were present.

* * *

Miss Lois Smith came down from her home at Hardy to hear the Ole Miss glee club at the Grenada College Monday evening. While here, she was the guest of friends.

* * *

Mrs. H. G. Rosser arrived the latter part of last week from her home in Aberdeen to spend some time in Grenada with her mother, Mrs. Mollie McNeil.

* * *

The members of the faculty of Grenada College will be at home to their friends on Thursday, the sixth of December, from 3:30 o'clock to 6:00 in the afternoon.

Miss Mary Roane reached home Monday afternoon after a delightful visit of three weeks to friends in Aberdeen, Houston and West Point.

* * *

Miss Anna Elise Roane left Monday at noon for Oxford where she went to be the guest until Tuesday of Miss Margaret McLean.

* * *

Misses Daisy Leigh Roane and Katherine Lufkin spent the past week-end in Columbus where they were the guests of Miss Cora Leigh Wilson, who is in school at M. S. C. W. They were there for the annual freshman wedding which took place Saturday evening.

* * *

Miss Mary Lou Tomlinson of Helena, Arkansas was the guest for a short while last week of Mrs. J. D. Herod in Grenada.

Ferdinand Hopkins came up from Jackson to spend the past week-end in Grenada. Mr. Hopkins combined business with pleasure on this trip.

Miss Lynn Dunavant spent the week-end in Memphis visiting relatives. She was accompanied by little Miss Rachel Todd.

Judge Wm. C. McLean has opened up a new sub-division, south of his residence on Main Street, and is going to place these lots on the market. The property fronts on south Main and south Line Streets and are very desirable building lots, in fact as the city improves it is bound to extend in that direction. The lots fronting on Line Street are on the Jeff Davis highway, and he should have no trouble in disposing of them to people who want to live on "silk stocking row."

Just Got Over a Cold

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Grenada man says:

A. D. Collins, grocer, 107 1st St., gave the following statement June 14, 1918: "Sometime ago I had a severe cold that settled on my kidneys. They became weak and disordered and my back ached by spells. I was generally run down and had a tired feeling while the backache lasted. I saw Doan's Kidney Pills advertised and decided to get a box at the Second Class Drug Store. After using them, I felt better in every way. I have never since had a return attack of kidney trouble."

On April 12, 1922, Mr. Collins added: "I have never had occasion to use Doan's Kidney Pills since I recommended them in 1918. They cured me and the cure has stood the test of years but I still praise and recommend Doan's to my friends."

MISSISSIPPI STATE BOARD OF HEALTH

PYORRHEA

The word pyorrhea means pus running. Alveolus is the tooth socket; so pyorrhea alveolaris would be pus running from the socket of the tooth with the tooth still in place. Any inflammation about the neck of a tooth may be pyorrhea or may develop into pyorrhea if left alone. Pyorrhea comes mainly from neglect of the teeth and mouth, although in some cases it is due to infection from the general system.

Whatever causes it, there is one way to treat it and that is by the careful removal of all tartar deposits about the tooth and in the pyorrhea pockets and the correction of all defects in the chewing apparatus.

The membrane that holds the teeth in place is the actual seat of this disease. Pyorrhea will not cure itself, and it means not only the certain loss of the teeth but general infection if left alone. If you have pyorrhea, have it treated. If you do not have pyorrhea, take care of your mouth so that you will escape it.

The great majority of bodily infections are due to abscesses in some part of the head, usually in the mouth, throat, nose or in the little cavities that are located in a chain from the base of the nose backward to the under surface of the skull.

These cavities are called sinuses.

Whenever there is an abscess that causes absorption of the poisonous material into the blood stream, it is called a focus—a focus of infection.

The reason so much attention is given to mouth infections is not because they are worse than any other infection, but because there are so many opportunities for infection in the mouth.

There are twenty temporary teeth which, in the normal course of life, are followed by thirty-two permanent teeth. Consequently every one of us has the possibility of fifty-two sources of infection in the mouth alone, unless the teeth both temporary and permanent, are properly cared for.

Every infection shortens life either very slightly or very considerably. In order to keep a clean blood stream, points of infection must be removed, but how much better it is, and how much more sensible it is, avoid these infections.

So far as the mouth is concerned, infection can almost always be avoided by proper care, in time.

The best time to begin preserving your health for the future is now. Just think of the wonderful opportunities ahead of us in this country. Only those who have health and energy can have the success of which they are capable. Pus is the enemy of success.

SPORTSMEN, HERE'S ANOTHER

A reader who enjoyed the "tall" story recently printed in The Companion under the title: Sportsmen, Beat This! sends us a yarn told by "The Old Timer" in the Magazine of Fun. Here it is:

I was out fer meat one mornin', didn't care what kind. 'Bout noon I set down at the foot of a tree and ate my lunch; I set a while, and then I went to sleep. I don't know how long I slept, but I waked up mighty sudden, thinkin' the alarm clock was goin' off.

'Bout six feet in front of me was a nice fat rattlesake with his tail goin' like a 'lectric buzzer. I drew the old gun up slow an' easy, thinkin' to clip his head, when out o' the brush off fifty yards or so comes a deer. I concluded a club would fix the rattler, pervided he didn't scoot when I shot.

Jest as I was sightin' the deer the critter acted as if he'd seen a ghost. I looked where he was a-lookin', and out of the brush on tother side comes a bear. A bear skin is wuth more'n a deer's, and I'd ruther have a dead bear round than a live one, so I drew a bead an' fired.

Wal, it seems while I was sleepin' the muzzle o' my gun had been a-diggin' in the ground, an' when I fired she busted. I didn't know much for the next few minutes. When I came too I was pretty nigh standin' on my head some twenty feet back in the brush. While I was straightening myself out I felt somethin' soft under me an' found 'twas a pair o' rabbits; I'd killed 'em when I lit. "Wal," says I, "this ain't so bad; I'm still livin', and here's my supper!"

When I got out to where the mine had exploded, so to speak, there laid a big coon with his head stove in. Jest beyond him the rattler was stretched out dead as a nail. I looked out where the bear had been, and, by thunder, there he was—dead! I looked over tother side, an' there was the deer a-layin' on his back! I begun to think we'd all been struck by lightnin', but I finally figgered it out. My bullet had got the bear all right square through the heart. The end of the gun barrel, which blew off, fixed the deer. The coon was on a limb over my head, and the stock of the gun went up an' brought him down. What killed the rattler? Well, sir, the bunch o' dirt that bust the gun fell in his mouth, an' he choked to death. His ile come in right handy to limber up my stiff j'ints after that experience, an' me a-luggin' meat to camp fer two days after it.—Ex.

(NOTE: Dr. Pierce is president of the Invalids' Hotel, Buffalo, N. Y., to which for 50 years past chronic sufferers have been coming for specialized treatment from all over the U. S. A., Canada and foreign lands.)

Will Undo Much Evil

By Dr. V. M. Pierce

Knowing the vast amount of harm wrought by diseases of the kidneys, and having had opportunity to observe the analyses and the successful methods of treatment in thousands of cases of kidney trouble at the Invalids' Hotel, I have recently given to the public the latest and perhaps most important of the Dr. Pierce home remedies, "An-uric" (anti - uric - acid) Tablets, which I now recommend to those who suffer with kidney backache, irregularity of urination and the pains and disturbances that come from excess of uric acid in the blood.

"An-uric" can be had now at all the drug stores. The mere drinking of a cup of hot water each morning and a little "An-uric" before every meal should bring remarkably quick improvement. You may have kidney trouble and not know it. The danger signals to be watched for and quickly heeded are backache, depression, aches, pains, heaviness, drowsiness, dizziness, irritability, headaches, chilliness, rheumatic twinges, swollen joints, gout.
